Fresh Start Initiative

Library Waives Extended Use Fees in May

We won't let unpaid library fees stop you from enjoying the summer and participating in summer reading at your Library! To celebrate the completion of the Library's renovation, we are giving all patrons a one-time "fresh start" by waiving all extended use fees incurred prior to May 15. In addition, extended use fees will not be assessed for items returned or renewed between May 15 and May 31! Patrons who pay for lost or damaged material will receive a 50% discount when the charges are paid in full at the Library prior to June 15.

Avoid extended use fees in the future by signing up for email pre-overdue notifications. Most items can be renewed up to three times by logging into "My Account" on the Library's website or by calling the Check Out Desk. Sign up for LibraryElf (www.libraryelf.com) and test the new "Auto Renew" feature – your qualifying Library material will be automatically renewed based on your preferred settings. LibraryElf "Auto Renew" is in the testing phase so be sure to continue monitoring your account carefully. For more information, contact the Check Out Desk at 630/393-1171 x100.

Summer Reading Program: Reading by Design

June 1 – July 31

The Summer Reading Program for adults, teens and youth begins June 1 at the Warrenville Public Library. Participants of all ages are eligible for great prizes. Pick up your reading log at the Reference Desks or print one from the Library website beginning June 1. To be eligible for prizes, completed logs must be turned in by July 31.

Renovation Update

Construction crews are finishing the last phase of the renovation. Study rooms, a computer lab and a quiet reading room will open in June. In April, the Library's main entrance re-opened and the Youth and Teen areas welcomed their first visitors. All collections – books, DVDs, music CDs and audiobooks – are in their new locations. Staff are ready to assist you from two new reference desks – one in the Adult Department, the other in the Youth Department. New furniture offers a variety of seating options. Stop in soon to see what's new.

Contact Library Director Sandy Whitmer at 630/393-1171 x118 or director@warrenville.com if you have questions or concerns about the renovation project.
